

# DogeCoinPro

## Introduction

DogeCoinPro is a decentralized BEP-20 cryptocurrency based on sovereign blockchain, Binance Smart Chain (BSC). DogeCoinPro is an advanced meme version of DogeCoin. with the features of transparency, security, fast and cost-effective peer-to-peer transactions. DogeCoinPro is an environmental & eco-friendly, modern technology-based cryptocurrency on Binance smart chain. DogeCoinPro has the potential of being used as a peer-to-peer (P2P) digital currency in the future that will enable instantaneous, near-zero cost payments to anyone in the world. DogeCoinPro is developing a blockchain in the near future.

## Vision

Our vision is to create the next-generation service through a decentralized (noncustodial) marketing platform to give every single person in the world an equal chance to be successful. We aim to offer a new and reliable system based on Binance smart chain technology for facilitating fast, secure, transparent, environmentally friendly, cost-effective transfer as a peer-to-peer Transaction.
